SCHOOL OF BUSINESS
MASTER OF HEALTH SERVICES ADMINISTRATION

Apply today: strayer.edu/apply

FLEXIBLE / AFFORDABLE / VALUABLE
OUR MASTER OF HEALTH SERVICES ADMINISTRATION* (MHSA) PROGRAM AT STRAYER UNIVERSITY WILL PREPARE YOU TO ADVANCE IN THE ONE OF THE COUNTRY’S FASTEST GROWING INDUSTRIES—WITH LIMITLESS FUTURE CHALLENGES AND OPPORTUNITIES.

Indeed, with an aging population, continually advancing technologies, and major pending health care system changes, we understand that success in this ever-evolving field goes hand-in-hand with a strong, dynamic educational foundation. Put yourself in high demand, and get the skill sets you need for a healthy career.

Gain in-depth knowledge of health care trends, technologies, policies, practices, and ethics. Discover how to implement effective strategy and change, allocate human resources, execute marketing and public relations plans, and advance operations and control costs with technology for health care facilities including hospitals, long-term care and other health provider environments.

Coursework is designed for professionals seeking management roles in health care organizations, medical groups, and other health-related organizations, including pharmaceutical and biotech companies, health information and analysis firms, government organizations, insurers, and consultants.

*Completion of Strayer University’s Master of Health Services Administration program does not guarantee a student has met the requirements to apply for licensure as a health care administrator in any state. Students pursuing professional health care certifications should contact their respective state health departments to confirm educational requirements before beginning the program.

KEY LEARNING OBJECTIVES

Integrate knowledge of social, economic, political, and professional forces to the management of the organization, and develop policies and practices that align with business strategies.

Develop the skills to conduct financial planning, manage financial operations, and measure financial performance.

Develop effective strategic and marketing plans to position the organization for success within the complex health care environment.

Utilize appropriate information systems and various technologies in the collection and analysis of health care data.

Demonstrate analytical skills, and the application of statistical, quantitative, and economic principles and tools to the health care decision-making process.

Refine your ability to apply ethical thinking and judgment to a wide range of health services situations.

Develop and demonstrate skills in leadership, interpersonal relations, conflict resolution, and change management.
ON CAMPUS, ONLINE, ON YOUR SCHEDULE.

For a 120-year-old university, we’re pretty forward-thinking.

With 100 campuses spread across 25 states, we’re just about anywhere you look. And we offer convenient class times to fit your busy life – including evenings and weekends. You can even jump on your laptop or access Strayer’s mobile app, to participate in online classes wherever you are.

Whether you prefer learning online, on campus, or even both, a Strayer education prepares you for the future by allowing you to earn your degree on your schedule.

RESOURCES AND SUPPORT? CHECK.

Just like pursuing higher education, finding a job can often require hours of preparation and research – and a little support can go a long way. Our University Career Center (UCC) offers a number of proven and go to market resources designed to meet your career needs and boost your professional development – giving you an edge over the competition. No matter what your career path is, we’re here to help every step of the way.

With free Microsoft software and discounted HP hardware, you’ll be able to save hundreds of dollars using Strayer’s Tech Pack.

Strayer’s convenient mobile app allows you to participate in classes, find a campus, connect in social media, get help and more. It’s available for Apple and Android, and a must-have for any Strayer student.

Program availability varies by state and campus. Please visit www.strayer.edu for program availability. Strayer University is authorized by the Illinois Board of Higher Education, 431 East Adams, 2nd Floor, Springfield, IL 62701-1404, info@ibhe.org.
GET A BETTER IDEA OF WHAT’S AHEAD.

You already know your goals, but may need a better idea of how much it could cost to reach them. These charts are designed to provide you with a general overview of tuition, and the amount of time it could take to earn your degree. Since every Strayer student brings their own unique experience, your costs and time to completion can vary depending on things like transferable credits, loans, grants, scholarships, even life experience. For a clearer breakdown of your Strayer education, start by reviewing the charts below. Then begin your Personal Education Plan for a more in-depth look.

If you are: | Number of Classes | Time to Graduate
---|---|---
Full-time | 2 or more classes per quarter | 1.5 years or fewer
Part-time | 1 class per quarter | 3 years

The times to graduate assume that students are enrolled in consecutive quarters. Transfer of college credit, challenge exams, and other individual circumstances may allow you to complete your degree sooner. Students study at their own pace and on their own schedule. Normal time for program completion is 4.5 years.

You're already qualified to learn. You may qualify to save.

There are many ways to cut the cost on a premium education.
- Federal or private loans
- Grants
- Tuition assistance from your employer
- Military tuition assistance
- Scholarships

It only takes a few minutes to plan your future.

At Strayer, we understand the thought of pursuing a higher education can be overwhelming. That’s why we’ve created the Personal Education Plan – a step-by-step planner that helps to provide the estimates and answers to everything you want to know, instantly. Strayer’s Personal Education Plan will even answer your questions about tuition, scheduling, graduation dates, and the most important question of all – “When do I start?”

Earning your degree is challenging. Planning for it doesn’t have to be. Build your Personal Education Plan today.
