Course description

Sophia's Project Management course takes you through the life cycle of managing a project, from designing the scope to completing the project and celebrating your success. Along the way, you will gain applied experience with project planning as well as managing project resources and risks.

Assessments & grading

This is a pass/fail course. You must complete 8 Challenge assessments (these are like quizzes) and 4 Milestone assessments (these are like tests) with an overall score of 70% or better.

Learning outcomes

At the end of the course, you'll be able to:

- Analyze the beginning of the project
- Illustrate the project planning process
- Apply project management skills
- Evaluate project completion
