

No-cost gen eds explainer video

You can save big at Strayer University by taking your general education courses through our affiliate Sophia Learning.

Every bachelor's program at Strayer requires core general education classes like math, writing and history.

We've partnered with Sophia Learning to offer no-cost general education courses to you.

Sophia's online classes are on demand and self-paced, so they help your wallet and your schedule.

When you study with Sophia, you'll still be a Strayer student:

the no-cost courses you pass that apply to your Strayer degree will transfer automatically.

They're also ACE® Credit recommended.

Each eligible course you take at Strayer affiliate, Sophia Learning, saves you \$1,525 on your Strayer bachelor's degree. So, if you take 10 courses at Sophia, you save \$1,525.
